# TIRES FAIL

THE ONLY QUESTIONS ARE:  
WHEN WILL IT HAPPEN?

AND

HOW MUCH WILL IT DISRUPT  
YOUR DAY?

APEX COMMERCIAL  
TIRE & WHEEL PROTECTION  
IS HERE WHEN A TIRE IS UNABLE TO  
BE REPAIRED DUE TO:

- Puncture
- Bruise
- Impact
- Damage from Road Hazards

## **TIRE REPAIR:**

With Apex Commercial Tire & Wheel protection, if your tire becomes unrepairable due to a covered circumstance, we'll cover the repairs. The repair will be covered up to \$150 per tire, per occurrence.

## **TIRE REPLACEMENT:**

We'll provide reimbursement for reasonable costs you incur to repair or replace your tire(s) if punctured or otherwise damaged due to a road hazard. Replacement will be made with a tire of like kind, quality and cost to the original tire. Coverage is valid through the tread life of a tire (3/32" or less is excluded). Re-tread tires are covered as well.

## **SAME AXEL REPLACEMENT ON STEERING AXELS:**

If an unrepairable tire is a steering tire, we will replace the opposite tire on the same axel to reduce uneven future tread wear.

## **WHEELS (RIMS) REPLACEMENT/REPAIR:**

We'll provide reimbursement for reasonable costs you incur to repair or replace your wheel(s) if rendered unserviceable due to a road hazard. The damaged wheel may be replaced with a remanufactured wheel of like kind and quality (Covered only when the damaged wheel cannot be repaired). Tire pressure monitoring sensor will be included in the coverage if damaged by the damaged wheel.

## **MOUNTING AND BALANCING:**

We'll provide reimbursement for reasonable costs you incur for mounting, balancing, valve stems, and tire disposal for any tire replaced under this service contract. (Shop supplies, tire pressure monitoring system (TPMS) components and unspecified charges are excluded). Max benefit per tire, per occurrence of \$150.

## **OPTIONAL SURCHARGES:**

### **EXTENDED COVERAGE FOR TRAILER**

Any trailer being pulled by a vehicle with a valid Apex Commercial Tire & Wheel Protection contract can have coverage extend to the trailer at an additional cost if the trailer surcharge is selected. Flat tire repair, mounting/balancing, wheel replacement/repair, and tire replacement will extend to the trailer tires as well.
