

THE ONLY EXCLUSIONARY SERVICE CONTRACT FOR THE HEAVY TRUCK MARKET

COMMERCIAL VEHICLE NOTEABLE TALKING POINTS

- Commercial Ford & CDJR ESP have engine hours caps.
 - – ex. Ford Pro ESP 3/150 has a 6,000-engine hour cap.
 - CDJR 3/200 doesn't cover after-treatment standard.
- OEM Standard Commercial Cab warranty is 1/125. A second year can be purchased extending coverage to 2/250.

THERE'S NO EXCLUSIONARY COVERAGE COMPETITION IN THE COMMERCIAL CAB MARKET.

All 3rd party administrated commercial cab coverage is powertrain level only with very small Limits of Liability. APEX beats the competition by At Least 100k in Limits of Liability

APEX Limits of Liability: MAX AGGREGATE

LIGHT DUTY (Class A & B) - Selling price of the Vehicle at the time of sale or \$100k, whichever is less.

MEDIUM DUTY (Class C & D) - Selling price of the Vehicle at the time of sale or \$150k, whichever is less.

HEAVY DUTY (Class E & F) - Selling price of the Vehicle at the time of sale or \$200k, whichever is less.

ALL CONTRACTS ARE BUILT WITH AGENT NO CHARGEBACK

Commercial Cab OEM warranty coverage engine/transmission/drive axel coverage is 5 years.

- Turbos & injectors are not always covered under an OEM motor warranty.

No surcharges in the commercial market protect like the Apex Commercial Vehicle Protection Surcharges.

Apex Commercial Vehicle Protection is for vehicles up to \$500k at the time of sale.
