PAYMENT PROTECTION PLAN

HOW IT WORKS:

CLAIM ELIGIBILITY:

If your vehicle requires a repair or recall resulting in a stay at the repair facility exceeding ten (10) days, you can claim reimbursement.

REIMBURSEMENT AMOUNT:

We will reimburse your original monthly payments, with a lifetime maximum benefit of \$2,500. If your vehicle isn't under a loan contract, the benefit will be calculated at \$350/month.

PAYOUT CALCULATION:

The reimbursement is based on the length of time your vehicle remains at the repair facility. This is calculated by dividing your original monthly payment into a daily rate and multiplying it by the number of days your vehicle is in the facility.

APPROVED TIME FRAME:

The in-service date and pick-up date on the repair order issued by the repair facility will be used to determine the eligible payout period.
