COVERAGE LEVELS BASED ON PURCHASE

Property theft losses amount to hundreds of millions of dollars annually, recovery rates are low, and damages can be costly due to high insurance deductibles.

Protect yourself with coverage that pays up to \$10,000 in the event of a non-recoverable theft.

THEFT PROTECTION

COMMITMENT WHEN IT COUNTS

Ampli-Fi's Theft Protection offers an effective solution with significant financial benefits, providing crucial support when it matters most.

FINANCIAL BENEFITS

Cash Benefit:

- Use for buying or leasing a replacement property
- Cover your deductible
- Manage other related expenses

Down Payment Assistance:

- Additional benefit for down payment on a replacement when returning to your dealership

DNA PROTECTION SOLUTIONS

- A unique DNA trace tracking number is chemically etched into several hidden, strategic locations on and around your property.
- Warning labels inform potential thieves that your property is marked, deterring theft.
- If the property is stolen, the DNA system enables faster identification and notification.
