## LIFETIME POWERTRAIN VEHICLE SERVICE CONTRACT

## LIFETIME VEHICLE SERVICE CONTRACT

*Coverage is subject to all terms, conditions, exclusions, and limits stated in the Vehicle Service Contract. Authorization is required prior to repairs. Benefits are limited by component-specific maximums and the vehicle's actual cash value at time of breakdown. For full details, please refer to the official Vehicle Service Contract.*

Protect your vehicle's most critical systems against covered breakdowns—**for the lifetime of the vehicle**, as long as you own it.

- ✓ Engine
- ✓ Transmission
- ✓ Drive Systems

# Protection for as Long as You Own Your Vehicle

## Why Drivers Choose it

Confidence knowing the most expensive repairs are covered

Designed for drivers who keep their cars longer

Value that lasts as long as your vehicle does

## What “Lifetime” Means

Your coverage remains active for the **lifetime of the vehicle**, provided:

- You are the original contract holder
- You maintain the vehicle according to the manufacturer’s recommendations
- Vehicle remains eligible under the contract terms

**No mileage caps** on the term of coverage once the contract is active.

## Lifetime Vehicle Service Contract Coverage Includes:

### ENGINE

- Cylinder block and internal parts
- Cylinder heads
- Timing chain or belt and related components
- Oil pump
- Intake manifold
- Factory-installed turbocharger or supercharger *(including internal parts)*
- Seals and gaskets related to covered components

### TRANSMISSION

- Automatic and manual transmission internal parts
- Torque converter
- Valve body and control modules
- Transmission cooler
- Seals and gaskets related to covered components
- (Manual transmission clutch parts are not covered.)

### ADDITIONAL BENEFITS

- Diagnostic charges with covered repairs
- Fluids included when required
- Licensed repair facilities nationwide

### DRIVE SYSTEMS

- Front-wheel drive components
- Rear-wheel drive components
- All-wheel drive (AWD) systems
- Four-wheel drive (4x4) systems
- Transfer case and internal parts
- Axle shafts, CV joints, and wheel bearings

### COOLING SYSTEM

- Water pump
- Radiator
- Thermostat
- Heater core
